

**NORTH LINCOLNSHIRE COUNCIL**

**AUDIT SUB-COMMITTEE**

**FORWARD PLAN AND ASSURANCE MAP 2012/13**

**1. OBJECT AND KEY POINTS IN THIS REPORT**

- 1.1 To ask Members to approve the forward plan of reports for 2012/13 and consider whether the assurances indicated in the plan provide adequate coverage to allow the Audit Sub-Committee to fulfill its terms of reference.

**2. BACKGROUND INFORMATION**

- 2.1 A forward plan of reports and map of assurances was first introduced in June 2009 in response to recommendations made by external audit in the Annual Audit and Inspection Letter.
- 2.2. The plan shows the assurance each report will provide to allow the Audit Sub-Committee to fulfill its terms of reference. In addition to categories of assurance provided the forward plan shows whether the source of assurance is primary or supporting. The forward plan has been refreshed for 2012/13 and minor changes have been made to reflect timing adjustments to some external audit reports.
- 2.3 Appendix A shows the categories and level of assurance the Audit Sub-Committee needs to fulfill its terms of reference and approve the council's audited accounts and Annual Governance Statement. A forward plan of reports for the Audit Sub-Committee to consider is shown in Appendix B.

**3. OPTIONS FOR CONSIDERATION**

- 3.1 The Sub-Committee should consider whether the forward plan for 2012/13 provides sufficient scope to obtain assurance on the adequacy of the council's internal control and governance arrangements to fulfill its terms of reference. The Sub-Committee may wish to ask questions and seek clarification as necessary. If it concludes that it does provide sufficient scope to obtain assurance the Sub-Committee is invited to approve the forward plan for 2012/13.

3.2 The Sub-Committee may decide not to approve or amend the forward plan.

#### **4. OPTIONS FOR CONSIDERATION**

4.1 The forward plan addresses external audit's recommendations and is designed to provide Members with sufficient scope to gain adequate assurance to fulfill their role as set out in the Sub-Committee's terms of reference.

#### **5. RESOURCE IMPLICATIONS (FINANCIAL, STAFFING, PROPERTY, IT)**

5.1 There are no additional resources implications.

5.2 Regular reviews of internal control and governance arrangements should safeguard the council's assets and ensure that value for money is achieved in the use of resources. There are no staffing, property or IT implications.

#### **6. OTHER IMPLICATIONS (STATUTORY, ENVIRONMENTAL, DIVERSITY, SECTION 17 – CRIME AND DISORDER, RISK AND OTHER)**

6.1 The Chief Financial Officer has a statutory duty under the provisions of the Local Government Act 1972 to ensure the proper administration of the council's financial affairs. The council also has a duty under the Local Government Act 1999 to make arrangements to secure continuous improvement in the way in which its functions are exercised, having regard to a combination of economy, efficiency and effectiveness. The requirement for an Annual Governance Statement and reporting requirements is set out in the Accounts and Audit (England) Regulations 2011.

6.2 Processes that underpin the Annual Governance Statement support excellent service delivery; enhance risk management arrangements and promote good corporate governance.

#### **7. OUTCOMES OF CONSULTATION**

7.1 The forward plan for 2012/13 is the result of consideration of professional guidance and discussions between the Director of Finance, Assistant Director Audit, Risk and Insurance and External Audit.

## 8. RECOMMENDATIONS

- 8.1 That the Audit Sub-Committee:
- (i) considers whether the forward plan for 2012/13 provides sufficient scope to provide an appropriate level of assurance on the adequacy of the council's internal control and governance arrangements
  - (ii) approves the forward plan for 2012/13.
