**LEGAL AID, SENTENCING AND PUNISHMENT OF OFFENDERS ACT 2012  
& SCRAP METAL DEALERS BILL**

**1. OBJECT AND KEY POINTS IN THIS REPORT**

- 1.1 To advise members of the changes to Scrap Metal Dealers brought in by the Legal Aid, Sentencing and Punishment of Offenders Act 2012 and to advise on the potential forthcoming changes under the Scrap Metal Dealers Bill.

**2. BACKGROUND INFORMATION**

- 2.1 In accordance with the provisions of the Scrap Metal Dealers Act 1964 businesses and people who deal in scrap metal must be registered with the local council.
- 2.2 Section 146 of The Legal Aid, Sentencing and Punishment of Offenders Act 2012 brought in a number of changes to the Scrap Metal Dealers Registration scheme from 3 December 2012.
- 2.3 The Act referred to in paragraph 2.2 amends the Scrap Metal Dealers Act 1964, by adding Section 3A which makes it an offence for scrap metal dealers to buy scrap metal for cash. Should a person be found guilty of such an offence, then they are liable on summary conviction of a fine up to level 5 (£5,000).
- 2.4 Scrap metal dealers are now required to pay either by cheque or via an electronic transfer of funds. Where payment is made by cheque, the dealer must maintain a book containing the details of the scrap received and details of the cheque and the full name and address of any person making a payment for the dealer, the full name and address of the person who is paid for the scrap and in the case of an electronic transfer, particulars identifying the said transfer.
- 2.5 In accordance with the guidance issued by the Home Office in October 2012, the provisions of the Act relates to any business who buys or sells scrap metal, Such businesses will be required to pay by the means identified in paragraph 2.3, with the exception of itinerant

collectors. Itinerant collectors are defined in section 9 of the Act, as “...a person who regularly engaged in collecting waste materials, and old, broken, worn out or defaced articles, by means of visits from house to house”.

- 2.6 In order to qualify for the exemption an itinerant trader must be registered and must have obtained a separate order under section 3(1) of the 1964 Act. Before granting the order under section 3(1) the council must first consult Humberside Police.
- 2.7 Itinerant traders still need to be registered otherwise they commit an offence.
- 2.8 In addition to the changes mentioned in paragraph 2.2, there is an additional Scrap Metal Dealers Bill progressing through Parliament. The proposed legislation changes the scheme from a registration to a licence. Businesses will be required to pay a licence fee and the council will be able to attach conditions where necessary.
