5.1	However she did not leave the meeting and in fact actively participated in the meeting.
5.3	It should be noted that despite the conditions laid down by the planning decision not having been complied with there are tables outside the shop and coffee etc. is served to customers.

5.9	The council was four members short.
5.15	I did see her out with Val Smith delivering something that evening. Clearly I cannot say what but she has not denied doing so.
5.16	I am NOT Mrs Siddall-Butchers
5.18	My point was not whether the councillors were bound by it but who was entitled to rely on it.
5.24	It was not distributed by the council to anyone save who was at the Parish meeting.
