

NORTH LINCOLNSHIRE COUNCIL

**COMMERCIAL ENTERPRISE
CABINET MEMBER**

**ASSETS OF COMMUNITY VALUE -
NOMINATIONS REGISTER UPDATE**

1. OBJECT AND KEY POINTS IN THIS REPORT

- 1.1 Local community bodies can nominate buildings as an Asset of Community Value under the Community Right to Bid initiative.
- 1.2 The key points in this report are:
- The Nominations Register is regularly updated to show how the Community Right to Bid process is progressing in North Lincolnshire.
 - To support the nomination of The Royal Oak Inn, High Street, Barrow upon Humber, as an Asset of Community Value.

2. BACKGROUND INFORMATION

- 2.1 Local community groups and Town or Parish Councils can nominate buildings or land for listing by the council as an Asset of Community Value under the Community Right to Bid initiative.
- 2.2 The responsibility for deciding whether to list a building or land as an Asset of Community Value is delegated to council officers, subject to consultation with the Cabinet Member.
- 2.3 For a local group to successfully nominate a property it will have to show that:
- It is based within the local authority area (or a neighbouring authority); and
 - It is a group that is qualified to make a nomination.

- 2.4 A property can be listed if:
- (a) An actual or current use of the building furthers the social wellbeing or social interests of the local community; and
 - (b) It is realistic to think there can continue to be use of the building which will further the social well being or social interests of the local community. This includes assets which have been used in the recent past and which it is realistic to consider will do so again during the next five years.
- 2.5 The attached Nominations Register shows the progress made for each nomination from the date it was received through to the appeal deadline, as applicable.
- 2.6 The council has recently received a nomination from the **Better Barrow Community Project** for The Royal Oak Inn, to be listed as an Asset of Community Value.

3. OPTIONS FOR CONSIDERATION

- 3.1 That the Cabinet Member notes the latest updates to the council's Assets of Community Value Nominations Register, and specifically the proposed inclusion of The Royal Oak Inn, High Street, Barrow upon Humber as an Asset of Community Value.

4. ANALYSIS OF OPTIONS

- 4.1 The Royal Oak Inn, High Street, Barrow upon Humber comprises a public house building occupying a central position in the Market Place.
- 4.2 The Better Barrow Community Project is a registered charity and is eligible to nominate. Within the application, they have suggested the following reasons to support the nomination:
- The Royal Oak has been a public house at the centre of the community for many years. It is centrally located within Barrow upon Humber and is in easy walking distance of all the village residences. The pub's primary contribution to the social wellbeing of the village is recreational. It is a place where residents can meet socially and thus enhance the social cohesion within the community.

- In the past, The Royal Oak has been central to the community's social activities. Evening activities such as live music, karaoke etc have regularly been offered and enhance the range of social activities on offer in this rural community. Teaming activities such as darts have also taken place at this venue.
- There are presently two pubs serving the village, which over the past years tended to cater to different clients – mostly across a demographic range.
- The potential for The Royal Oak to not only further but enhance the social well-being of the local community is significant. It has the potential to expand its range of interests beyond the recreational and add significantly to the cultural well-being of the village. For example, the Better Barrow Community Project had for some time been in discussion with the owner about acquiring the outbuilding for conversion into a Heritage Centre to celebrate the rich heritage of the village.

4.3 The council has not received any objections in respect of the nomination.

4.4 It is considered that the property satisfies the criteria for nomination set out in paragraph 2.4 above.

5. RESOURCE IMPLICATIONS (FINANCIAL, STAFFING, PROPERTY, IT)

5.1 The Register is continually updated as part of the ongoing Community Right to Bid initiative.

5.2 If the owners of properties listed as an Asset of Community Value decide to market the assets for sale or long lease, qualifying interest groups will have an opportunity to bid in order to acquire the asset.

6. OUTCOME OF INTEGRATED IMPACT ASSESSMENT (IF APPLICABLE)

6.1 Not applicable.

7. OUTCOMES OF CONSULTATION AND CONFLICTS OF INTEREST DECLARED

7.1 Appropriate council officers and Town and Parish Councils are consulted throughout the Community Right to Bid process.

7.2 Appropriate council officers were consulted and no objections were raised to the properties being listed.

8. RECOMMENDATIONS

8.1 That the information held within the attached Nominations Register is noted and approved.

- 8.2 That the Cabinet Member agrees to the listing of The Royal Oak inn, High Street, Barrow upon Humber as an Asset of Community Value.
