COMMUNITY GRANT AID APPLICATIONS

1. OBJECT AND KEY POINTS IN THIS REPORT

- 1.1 To consider applications for financial assistance.
- 1.2 The key point of the report is as follows.
- We have received 11 applications for Community grant aid. These need considering against the scheme criteria and available funds.

2. BACKGROUND INFORMATION

2.1 The new Community Grant Fund supports:

- Grants to Individuals
The scheme helps talented individuals resident in North Lincolnshire who are able to demonstrate excellence in sport, art or culture. The maximum grant is £500 towards travel and training costs and for sports applications free off peak access to fitness centres and swimming pools in council run facilities. Only those sports recognised by Sport England are eligible.
- Community Revenue Grant Programme
This scheme helps support the revenue costs of community groups.
- Community Capital Grant Programme
This scheme helps community sport, arts or heritage capital projects. The most we will grant is normally £15,000. Groups can apply for one grant of up to £30,000 in any five-year period if the total cost of the project is more than £60,000.

3. OPTIONS FOR CONSIDERATION

- 3.1 A summary of the applications received is set out in Appendix One.

3.2 Options are limited to the following:

- approving the applications as submitted;
- refuse support; or
- offer grant support at a reduced level.

4. **ANALYSIS OF OPTIONS**

4.1 The applications received meet the criteria in the relevant Community grant aid scheme for assistance up to the level shown in the attached table.

4.2 Offering Community grant support at a reduced level, or rejection of an application, could mean that the project will not progress.

5. **RESOURCE IMPLICATIONS (FINANCIAL, STAFFING, PROPERTY, IT)**

5.1 Financial

5.1.1 The revenue budget for Community Grant Aid this year (including individuals) is £200,000. £25811.30 has been previously committed to a combination of Jubilee and sports grants leaving £174,188.70 remaining in the budget. The amount required to support the applicants in this report is £10,685.10.

5.2 Staffing, Property and IT

5.2.1 There are no issues for staffing, property or IT.

6. **OTHER IMPLICATIONS (STATUTORY, ENVIRONMENTAL, DIVERSITY, SECTION 17 - CRIME AND DISORDER, RISK AND OTHER)**

6.1 The service is working hard to reach diversity plan outcomes. One way of doing this is to support community provision, building stronger communities and supporting the community to take responsibility for positive activities.

6.2 Getting more people to take part in active recreation may contribute to reducing crime and anti-social behaviour.

6.3 There are no other implications.

7. **OUTCOMES OF CONSULTATION**

7.1 Participating in sport at a national level and above is expensive. Sports governing bodies and applicants have consistently told us they need help with travel, training and accommodation costs.

7.2 Funding for community projects in North Lincolnshire is often difficult. Community organisations have told us that they need the Council's support to help lever in other funding for their projects.

8. **RECOMMENDATIONS**

8.1 That the Cabinet Members approve the recommended level of community grant support set out in the table at Appendix One.
