COMMUNITY GRANT FUND APPLICATIONS

1. OBJECT AND KEY POINTS IN THIS REPORT

- 1.1 To consider applications received by the council for financial assistance via the Community Grant Fund.
- 1.2 The key point of the report is as follows.
 - We have received an application for community grant aid. This needs considering against the scheme criteria and available funds.

2. BACKGROUND INFORMATION

2.1 The Community Grant Fund supports:

- Grants to Individuals
The scheme helps talented individuals resident in North Lincolnshire who are able to demonstrate excellence in sport, art or culture. The maximum grant is £500 towards travel and training costs and for sports related applications, free off peak access to fitness centres and swimming pools in council run facilities. Only those sports recognised by Sport England are eligible.
- Community Revenue Grant Programme
This scheme helps support the revenue costs of community groups.
- Community Capital Grant Programme
This scheme helps community sport, arts or heritage capital projects. The most we will grant is normally £15,000. Groups can apply for one grant of up to £30,000 in any five-year period if the total cost of the project is more than £60,000.

3. OPTIONS FOR CONSIDERATION

3.1 A summary of the application received is set out in Appendix One.

3.2 The options available to the Cabinet Members are as follows.

- approving the application as submitted;
- refuse support; or
- offer grant support at a reduced level.

4. ANALYSIS OF OPTIONS

4.1 The application received meets the criteria for grant funding up to the levels shown in the appendix.

4.2 Rejecting an application or offering grant support at a reduced level could mean that the project will not progress.

5. RESOURCE IMPLICATIONS (FINANCIAL, STAFFING, PROPERTY, IT)

5.1 Financial

5.1.1 The council has approved a revenue budget of £148,000 for the Community Grant Fund in 2015/16. To date, a total of £87,032 has been committed. This leaves £60,968 to allocate. The total amount required to support the applications covered by this report to the levels requested is £270.

5.2 Staffing, Property and IT

5.2.1 There are no staffing, property or IT related implications to consider.

6. OUTCOMES OF INTEGRATED IMPACT ASSESSMENT (IF APPLICABLE)

6.1 Enabling individuals and communities across North Lincolnshire to become involved in sports, art, culture and heritage projects is an excellent way to encourage participation from a wide and diverse range of social, ethnic and cultural backgrounds in support of our diversity aims.

6.2 Getting more people to take part in active recreation can have a positive impact towards reducing crime and anti-social behaviour.

6.3 There are no other implications to consider.

7. OUTCOMES OF CONSULTATION AND CONFLICTS OF INTERESTS DECLARED

7.1 Participating in sport at a national level and above is expensive. Sports governing bodies and applicants have consistently told us they need help with costs.

7.2 Funding community projects can often be difficult for community groups. Community organisations have told us that they need the Council's support to help get other grants for their projects.

8. **RECOMMENDATIONS**

8.1 That the Cabinet Members approve the recommended level of community grant support set out in the table at Appendix 1.
