and  
PEOPLE  
CABINET MEMBERS**

**COMMUNITY GRANT AID APPLICATIONS**

**1. OBJECT AND KEY POINTS IN THIS REPORT**

- 1.1 To consider applications received by the council for financial assistance via the Community Grant Fund.
- 1.2 The key point of the report is as follows.
- We have received 11 applications for community grant aid. These need considering against the scheme criteria and available funds.

**2. BACKGROUND INFORMATION**

2.1 The Community Grant Fund supports:

- Grants to Individuals  
The scheme helps talented individuals resident in North Lincolnshire who are able to demonstrate excellence in sport, art or culture. The maximum grant is £500 towards travel and training costs and for sports related applications, free off peak access to fitness centres and swimming pools in council run facilities. Only those sports recognised by Sport England are eligible.
- Community Revenue Grant Programme  
This scheme helps support the revenue costs of community groups.
- Community Capital Grant Programme  
This scheme helps community sport, arts or heritage capital projects. The most we will grant is normally £15,000. Groups can apply for one grant of up to £30,000 in any five-year period if the total cost of the project is more than £60,000.

### **3. OPTIONS FOR CONSIDERATION**

3.1 A summary of the applications received is set out in Appendix One.

3.2 The options available to the Cabinet Members are as follows.

- approving the applications as submitted;
- refuse support; or
- offer grant support at a reduced level.

### **4. ANALYSIS OF OPTIONS**

4.1 The applications received meet the qualification criteria for grant funding up to the levels shown in the appendix attached.

4.2 Offering community grant support at a reduced level, or rejection of an application, could mean that the project will not progress.

### **5. RESOURCE IMPLICATIONS (FINANCIAL, STAFFING, PROPERTY, IT)**

#### **5.1 Financial**

5.1.1 The council has approved a revenue budget of £200,000 to support the Community Grant Fund for 2012/13. To date, a total of £61,219.16 has been committed against previous applications received and approved by Cabinet Members. This leaves a sum remaining to allocate of £138,780.84. The total amount required to support the applications covered by this report to the levels recommended by officers amounts to £4,670.

5.1.2 The council has approved a capital budget of £300,000 to support the Community Grant Fund for 2012/13. To date, a total of £145,093 has been committed against previous applications received and approved by Cabinet Members. This leaves a sum remaining to allocate of £154,907. The total amount required to support the applications covered by this report to the levels recommended by officers amounts to £27,035.

#### **5.2 Staffing, Property and IT**

5.2.1 There are no staffing, property or IT related implications to consider.

### **6. OTHER IMPLICATIONS (STATUTORY, ENVIRONMENTAL, DIVERSITY, SECTION 17 - CRIME AND DISORDER, RISK AND OTHER)**

6.1 Enabling individuals and communities across North Lincolnshire to become involved in sports, art, culture and heritage projects is an excellent way to encourage participation from a wide and diverse range

of social, ethnic and cultural backgrounds in support of our diversity aims.

6.2 Getting more people to take part in active recreation can have a positive impact towards reducing cases of crime and anti-social behaviour.

6.3 There are no other implications to consider.

## 7. **OUTCOMES OF CONSULTATION**

7.1 Participating in sport at a national level and above is expensive. Sports governing bodies and applicants have consistently told us they need help with travel, training and accommodation costs.

7.2 Securing funding for community projects in North Lincolnshire can often prove difficult for community groups. Community organisations have told us that they need the Council's support to help lever in other funding for their projects.

## 8. **RECOMMENDATIONS**

8.1 That the Cabinet Members approve the recommended level of community grant support set out in the table at Appendix One.
