**NEIGHBOURHOOD, ENVIRONMENT 2010/2011
COMMUNITIES CABINET MEMBER**

**REVIEW OF FEES AND CHARGES 2010/2011
CHANGE IN VAT RATE**

1. OBJECT AND KEY POINTS IN THIS REPORT

- 1.1 To approve the level of fees and charges for the financial year 2010/2011 for services provided by Neighbourhood and Environmental Services.
- 1.2 For charges that are subject to VAT the standard rate increases to 20% with effect from 4 January 2011.
- 1.3 The fees were last considered in March 2010.

2. BACKGROUND INFORMATION

- 2.1 Neighbourhood and Environmental Services provide a wide range of services, some of which are rechargeable to members of the public and the local business community.
- 2.2 The Service Director Neighbourhood and Environmental Services was authorised to determine the fixing of charges in respect of certain commercial waste collection charges by Cabinet Member in February 2004. - 2.3 Fees and charges for Trading Standards were formerly in line with those recommended by the Local Authorities Coordinators of Regulatory Services (LACORS). LACORS have recommended that individual authorities conduct a review of their charges and until this review is completed existing charges have been increased in line with inflation.
- 2.4 All charges are inclusive of VAT where this applies.

3. ISSUES FOR CONSIDERATION

- 3.1 The schedule at Appendix 1 to this report recommends the level of charges to be levied during the forthcoming financial year taking into

account general inflation and the need to recover, where appropriate, the cost of carrying out the relevant services.

- 3.2 Fees have been set at a level to reflect the council's Corporate Charging Policy where this applies.

4. RESOURCE AND OTHER IMPLICATIONS
