

NORTH LINCOLNSHIRE COUNCIL

LICENSING COMMITTEE

THE OPENNESS OF LOCAL GOVERNMENT BODIES REGULATIONS 2014

1. OBJECT AND KEY POINTS IN THIS REPORT

- 1.1 To advise the Committee of all decisions taken by Authorised Officers of the Licensing Division, in relation to licences; registrations; permits and consents, under the scheme of delegation.

2. BACKGROUND INFORMATION

- 2.1 In August 2014 the Government introduced regulations which require the publication of decisions by officers for non-executive functions where they are for an authorisation, licence or where it affects the rights of an individual.
- 2.2 The adoption of the Openness of Local Government Bodies Regulations in August 2014 changed the requirements placed on local authorities in regard to reporting decisions taken under delegated authority by Officers.
- 2.3 Prior to the new regulations, Officers were required only to produce a report on decisions taken under authority delegated to them under the Authority's Executive powers.
- 2.4 The requirement has now been extended to all decisions, whether made by an officer or on behalf of another committee/sub-committee or joint committee, in which the Council participates. This applies where the decision has been delegated to an officer, either under a specific delegation or under a general authorisation.
- 2.5 A summary of all decisions made by officers for licences, registrations, permits and consents issued between 4 January 2016 and 19 February 2017 is attached at Appendix 1.
- 2.6 In the spreadsheet where it states 'Not Specified', the system was not set up to report on this and had to be altered. The data can be produced at the meeting.
- 2.7 Supporting documents associated with the decisions will be presented at the meeting.
